To whom it may concern:

On behalf of the Bruce Grey Catholic District School Board, I am pleased to submit this letter in support of the Saugeen Valley Children's Safety Village.

Our vision and mandate includes fundamental priorities which are advanced directly and indirectly by this important project. Our organizational beliefs include "each child is a gift from God and has the potential to grow, to develop and to contribute" and this can only be accomplished if our children remain safe.

The Saugeen Valley Children's Safety Village will touch a wide area and presents a tremendous opportunity for the local community to help in the lifelong education of our children.

This collaboration is at the right time in the right place and utilizes our ability as a community to build an icon that will benefit children for years to come. We are very eager and committed to work with all our community partners to assist with making the Saugeen Valley Children's Safety Village a reality.

We encourage others to support this worthwhile endeavour. Please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Bruce MacPherson". The signature is written in a cursive style.
