RE: LETTER OF SUPPORT

SAUGEEN VALLEY CHILDREN'S SAFETY VILLAGE

In the fall of 2010, I had the opportunity of attending the kick-off event for the Saugeen Valley Children's Safety Village. Provincial Constable Steve STARR of the Grey County OPP was also present for some of the preliminary planning sessions for the Village.

I am familiar with some of the other Safety Villages operating in Ontario. The OPP is always supportive of providing safety information and support to the youth in our communities. Our own school community in the area served by the Grey County OPP has a population of some 4,900 students, and consists of twelve primary, two secondary, and a number of private schools. We have a total of three uniform members assigned to working with youth in our schools. The future availability of an area Safety Village with hands-on safety training, will augment the delivery of our safety program.

On behalf of the members of Grey County OPP, and the youth that we serve, I am in support of the development of the Saugeen Valley Children's Safety Village. I look forward to the day when the first students can attend for instruction.

I thank you for the time and effort that you have devoted to this endeavour.
